## *Payment Terms*

Each Funeral we arrange and conduct is unique and personal, just like your loved one. Our prices are set out as above but may vary depending on the complexity of the arrangements made.

Your Funeral Director will always provide you with a clear estimate of Funeral Expenses both verbally and in writing once the Funeral Arrangements have been discussed. This price may change during the course of the arrangements if you chose to amend any details. At all times you will be kept informed of any changes to the cost.

For The Simple Cremation package, we require full payment at least three working days before the funeral takes place.

For all other Funeral Arrangements we require a deposit payment at least three working days prior to the Funeral Date to cover the disbursements. This deposit amount will vary depending on the arrangements made. Typically it is around £1,500.00.

The final invoice will be sent out to you around 14 days following the funeral. You have 30 days from the date shown on the invoice for payment to be made in full.

We accept cash, debit/credit card, cheque or BACS transfer. Our bank details will be visible on your final invoice.

If you are seeking help from the Department for Work and Pensions please advise your Funeral Director as soon as possible.

If you have any questions regarding our payment terms please don't hesitate to speak to your Funeral Director.

All prices are correct at the time of printing. We reserve the right to amend these prices without notice at any time.

If you fail to pay us in full on the due date we may charge you interest at a rate of 1.5% per month or part month the account is outstanding. Interest is calculated on a daily basis from the date of our account until payment, compounded on the first day of each month and before and after any judgement (unless a Court Orders otherwise)

Please note all accounts beyond our credit terms will be passed to our Debt Collection Agency, Sinclair Goldberg Price Ltd. All accounts, without exception, will be subject to a surcharge of 20% plus VAT to cover our costs in recovery. These accounts will also be subject to any legal costs incurred in obtaining settlement.
